

December 29/Day 363

Revelation 6

Verses 1-2

- Who did we establish yesterday the lamb is?
- What did John see when the Lamb broke the first seal?
- This rider seems to be the leader.

Verses 3-4

- What did John see when the Lamb broke the second seal?
- We call this behavior war!

Verses 5-6

- What did John see when the Lamb broke the third seal?
- We call this famine!

Verses 7-8

- What did John see when the Lamb broke the fourth seal?
- What was this rider named?
- How much of the earth did God allow him to kill? How did he do this?

Verses 9-11

- What did John see when the Lamb broke the fifth seal?
- What do we call those who had been slain because of the word of God and their testimony?
- What will the Lord do on their behalf?
- According to this passage, will there be more martyrs?

Verses 12-17

- What did John see when the Lamb broke the sixth seal?
- Scholars call this seal “Terror”.
- How did those on earth respond? To Whom did they credit this judgment? So, they had knowledge of Him, huh?

Revelation 7

Verses 1-3

- What time reference is mentioned here?
- What did he see and what were they doing?
- Whom would they seal? But, if this is during what we call the Tribulation Period, why are there bond-servants (believers) there? Aren't they gone in the Rapture of the church? Of, are these men who became believers after the Rapture? Let's keep going and let Scripture tell us.

Verses 4-8

- How many from the tribes of Israel were sealed?

Verses 9-12

- How many believers were found and where were they from?

Verses 13-17

- When had these men become believers?
- What do you think of the paradox that the Lamb will be the shepherd?
- We're told there will be no tears in heaven, but what does this say about their tears?

Revelation 8

Verses 1-2

- What happened when the Lamb broke the seventh seal?
- What did John see?

Verses 3-5

- What did the incense represent?
- What happened on earth when the angel threw the sensor with fire to the earth?

Verses 6-7

- What happened when the angel blew the first trumpet?
- How much of the earth was destroyed?

Verses 8-9

- What happened when the angel blew the second trumpet?
- How much of the sea was ruined? What happened to the sea creatures and ships?

Verses 10-11

- What happened when the angel blew the third trumpet?

Verse 12

- What happened when the angel blew the fourth trumpet?

Verses 13

- What did the eagle cry out?

Revelation 9

Verses 1-6

- What happened when the angel blew the fifth trumpet?
- What are the dimensions of this pit?
- What came out of the smoke from the pit?
- Did they harm the earth?
- What will men wish?

Verses 7-11

- What were the locusts like? Some have speculated these to be military aircraft, the only way John could describe them in his day were like locusts. We don't know for sure.
- Who is the angel of the abyss?
- Abaddon means "destruction" in Hebrew and Apollyon means the same in the Greek.

Verse 12

- The fifth trumpet was the first woe after the eagle cried out.

Verses 13-19

- What happened when the angel blew the sixth trumpet?
- What would the four angels who had previously been bound at the Euphrates River do?
- How many were in their army?
- How many would they kill?

Verses 20-21

- Did these judgments cause mankind to repent (have a change of mind resulting in a change of direction) and turn to God?

Revelation 10

Verses 1-6

- What was this angel like and what did he do?

Verses 8-11

- This passage is similar to that of Ezekiel 2 and 3, when Ezekiel was told to eat the scroll. This partaking (or taking in) of the words, is a picture of God's servant who consumes the word for the purpose of speaking for the Lord.
- In that vein, what does verse 11 say?

Revelation 11

Verses 1-6

- What was given to John?
- What will happen to the holy city?
- 42 months is 3 ½ years. 1,260 days is 3 ½ years.
- What will God's witnesses do? For how long?

Verses 7-10

- What will happen at the end of their testimony?
- How will those on the earth respond to their deaths?

Verses 11-13

- What happened after 3 ½ days?
- Where did they go?
- What were the results of the earthquake, both good and bad?

Verse 14

- This was the second woe since the eagle cried out?

Verses 15-18

- What happened when the angel blew the seventh trumpet?
- What did the 24 elders say?
- What time reference is mentioned?

Verse 19

- Do you remember how Hebrews told us about the old covenant and the temple being mere shadows of the better covenant and the temple in heaven?
- Where is the temple mention in verse 19 located?
- What appeared inside it? Indiana Jones need not search for it, huh?
- What are we told about this temple that reminds you of what happened when the glory of the Lord entered the earthly temple?

See you tomorrow.
