

# August 6/Day 218

## Zephaniah 1

- Zephaniah is another “minor prophet”, not because his message was less important, but because his message was short compared to some other prophetic messages like Isaiah and Jeremiah.

### Verse 1

- Lots of names here. To find the time reference, look for the words, “in the days of...”.

### Verses 2-4

- Who is this prophecy against?

### Verses 5-10

- On what day?

### Verses 11-16

- Does this answer what day?

### Verses 17-18

- Will their money be useful on that day?
- Does this answer what day?

## Zephaniah 2

### Verses 1-2

- “Before” is a time reference. What two things are mentioned “before”?

### Verses 3-7

- What will be the “woe” on the coast?

### Verses 8-9

- What happened to Sodom and Gomorrah? So, what will happen to Moab?

Verses 10-11

- According to verse 10, why will the LORD judge these nations?

Verses 12-15

- Which city would become a desolation? We saw this before.

## Zephaniah 3

Verses 1-2

- Based on the context, which city is this about? Whose LORD and God is He?

Verses 3-4

- What have the priests and prophets done?

Verses 5-11

- In what day? “On My holy mountain” is a clue.

Verses 12-14

- When will they shout for joy? Has this happened?

Verse 15

- When will Jerusalem fear disaster no more?

Verses 16-17

- I love this verse. What will the LORD do? Some versions say He will “sing” over them.

Verses 18-20

- Near future prophecy or far future prophecy?

See you tomorrow.
