

June 12/Day 163

1 Kings 7

Verses 1-5

- What took Solomon 13 years to build?

Verses 6-7

- What would Solomon do on his throne?
- What was the throne-room called?

Verse 8

- What does this verse tell us? Have we seen this before?

Verses 9-14

- This is not the same Hiram who is king of Tyre.

Verses 15-22

- Describe the designs on the pillars.

Verses 23-26

- How big was the man-made sea?

Verses 27-37

- What did the stand wheels resemble?

Verses 38-39

- How big were these basins?

Verse 40-47

- What was done with the bronze in the house of the LORD?

Verses 48-50

- Do you remember seeing all these things described for the tabernacle (the temporary house of the LORD)?

Verse 51

- What did Solomon bring into the treasury?

2 Chronicles 4

- This is the parallel passage.

Verses 1-22

- Did you see any other details in the parallel passage you didn't see in the previous passage?

See you tomorrow.
