Acts 12

Verses 1-5

- Who did he have put to death?
- Who did he have thrown into prison?

Verses 6-17

- What happened in this passage?

Verses 18-19

Verses 20-23

- How did Herod die? We picture him eaten by worms outwardly, but this is historically thought to be intestinal worms, or some have recently said he had kidney disease which led to maggot-infested gangrene of his genitals. Either way, he was evil, and his death was gross.

Verses 24-25

- How did the persecution affect the church?
- Who joined up with Barnabas and Saul at this time?

See you tomorrow.
