Proverbs 22

Verses 1-29

- What does verse one say about a good name?
- What do the rich and the poor have in common according to verse 2?
- Most people can quote verse 6. These are proverbs, so do you think this is a promise or a principle? Does every child trained up in Christianity walk it out as an adult?
- In verse 15, do you think the rod of discipline is a whipping rod or a shepherding rod? Or both?
- According to verses 24 and 25, how does the character of others affect us? Specifically, the character of an angry person?

Proverbs 23

Verses 1-35

- What are the warnings in this passage?

Proverbs 24

Verses 1-34

- What is the contrast here between evil and wise men?
- How are believers supposed to feel about their enemies? About evildoers?
- According to the last couple of verses, what happens when we're lazy?

See you tomorrow.
