

# November 5/Day 309

## Matthew 23

### Verses 1-12

- To whom was Jesus speaking?
- Where had the scribes and Pharisees figuratively seated themselves? What did Moses represent? Then what does this mean?
- Why did Jesus say to do what they say but not as they do?
- What do they tie up on men?
- Why do they do good deeds?
- Name some things they love and why?
- Who will be greatest?

### Verses 13-14

- What do these religious men shut off from others?
- Do they enter it?
- Why do they make long prayers?

### Verses 23-24

- Can a blind guide lead others?
- These men used to strain their wine between their teeth so they would not swallow a gnat and thus become unclean. A man couldn't literally swallow a camel, so what is this saying? Think about it.

### Verses 25-26

- When you do dishes, do you only wash the outside of the cup, or the inside as well? What does this mean?

### Verses 27-28

Verses 19-26

- Why did they not lay hands on Him?
- What did they send? How did they pretend? In order to do what?
- How did Jesus silence these men?

Verses 27-33

- Sadducees do not believe in the resurrection, so they are trying to trick Him.

Verses 34-47

- In verse 45, of whom did Jesus say beware?
- What were they like?
- Is there any application for us?

## Luke 21

- How much does Luke's account say the widow gave?

Verses 5-6

Verses 34-36

- What is the time reference in regard to the day?
- What is the purpose of being alert?

Verses 37-38

- What does this tell us about Jesus's comings and goings?

See you tomorrow.
