

March 9/Day 68

Numbers 33

Verses 1-4

- We lost Aaron at Mount Hor and we were just told Moses would go be with his fathers, so this is a summary passage of what has already happened, it's not a record of their next move.

Verses 5-37

- If you were so inclined, you could print a map of Israel and trace their journeys. This is how people make Bible maps. I have done this for Paul's missionary journeys straight from the text and it's exciting to see you don't have to be a cartographer to map it out.

Verses 38-39

- In what year after they people came out of Egypt did Aaron die?

Verses 40-56

- What were the sons of Israel supposed to do to the inhabitants of the land? Why? Hint: verse 52. What is the application for us?
- How would the land be divided?
- What is the spiritual significance of verse 55?

Numbers 34

Verses 1-12

- If you mapped out these borders, are the sons of Israel inhabiting ALL the land God promised them today?

Verses 13-15

- Do you remember from yesterday the request of the tribes of Reuben, Gad, and the half tribe of Manasseh?

Verses 16-29

- Which two men were to apportion the land?
- Who was mentioned from the tribe of Judah? Do you remember anything about him from before? See you tomorrow.
