## Mark 13

### Verses 1-2

- Who is “He” here?
- Do you remember where the temple was and what He was doing there?

### Verses 3-8

- What do we learn about the geographical location of the Mount of Olives?
- Who will many claim to be and what will they do?
- What are the beginnings of birth pangs? Did you know birth pangs get stronger and closer together the further along you are?

### Verses 9-13

- Where must the gospel first be preached?
- What will happen to relationships because of Jesus?
- Who will be saved?

### Verses 14-23

- Remember, prophecy has a short-term fulfillment and a long-term fulfillment. Antiochus Epiphanes offered a pig on the altar in the temple. This was an abomination. The later fulfillment will involve the antichrist.
- What will false Christs do?
- How strong will the deception be?
- Is there any application for us?

### Verses 24-27

- Ah, we are told when “in those days” is, when is it?
- What will happen to the elements?
- Who will come and how?
- How will the elect be gathered?

### Verses 28-32

- What is the parable of the fig tree?
- What will never pass away?
- Who knows when His coming will happen?

Verses 33-37

- Why are we to keep on the alert?

See you tomorrow.
