

# June 14/Day 165

- Yesterday we left off with the dedication of the temple.

## 2 Chronicles 6

Verses 1-11

- What city did God choose for His name to dwell?

Verses 12-17

- This is a parallel passage from those we saw yesterday.
- Verse 16 says Israel will not lack a man to sit on the throne? Is there a throne in Israel now? Who is king over Israel? If you don't know this answer, we will get to it later.

Verses 18-21

- What are we told about the heavens in this passage? Did you know there were different levels of heaven? What are we told about God in regard to the heavens?

Verses 22-42

- What does this last verse ask God to remember?

## 2 Chronicles 7

- Again, this is a parallel passage from yesterday, so it'll be some good review.

Verses 1-3

- What does this last phrase say?

Verses 4-6

- What were the words to the song King David made for giving praise to the LORD?

Verses 7-11

- Which TWO buildings did Solomon complete?

Verses 12-18

- Would you love to hear from God that He heard your prayer?
- What are His conditions for answering our prayers based on verse 14?

Verses 19-22

- What is contrasted with the blessings of obedience?
- What will people who witness this say?

## Psalm 136

- Enjoy this. One of my most favorite psalms.

Verses 1-26

- Did you catch the key repeated phrase?

See you tomorrow.
