

# August 16/Day 228

## Jeremiah 32

Verses 1-5

- When did Jeremiah receive this word?
- What was happening “at that time”?

Verses 6-8

- What is the picture here in regard to redemption?
- If the people were going into captivity what purpose would it serve for Jeremiah to purchase land?
- Would this require faith?

Verses 9-15

- What did Jeremiah do with the deed?

Verses 1-25

- Review how Jeremiah lays out his prayer. Is there any application for us?

Verses 26-35

- Is there anything too difficult for the LORD?
- What did the people do with the detestable things?

Verses 36-44

- After the LORD gathers the people, what will He do with them?

## Jeremiah 33

Verses 1-9

- Based on the first phrase in this passage, is this a continuation of the previous prophecy or is it a new prophecy? Then was this a good place to divide the chapters?
- What will the LORD do when He is called upon?

Verses 10-11

- Have you read these words before? If so, where?

Verses 12-13

- What will return to the waste place?

Verses 14-18

- What is the time reference here?
- Who is this about?
- The name for God here is Jehovah Tsidkenu, “The LORD is our righteousness”. There is no way we can be righteous apart from receiving Jesus and the indwelling of God’s spirit. Notice, He is our righteousness, we are not.

Verses 19-22

- When would God break His covenant with David?
- What was the covenant with David about?

Verses 23-26

- What would He do with them instead of breaking the covenant?

## Jeremiah 34

Verses 1-5

- What was the timing of this word?
- What would Nebuchadnezzar do with the city?

Verses 6-11

- What would the people do with their servants in order to not keep a fellow Jew in bondage?
- Did you notice the word “Jew” was mentioned here? It comes from the word “Judah”.

Verses 12-22

- Passing between parts of the calf is a reference to cutting covenant. A covenant is so serious it is as if to say, “may this happen to me (slaughter of the animal for blood covenant) if I break this covenant”.

See you tomorrow.
